Hiring Manager
Orange Money Group
CI

Dear Hiring Manager,

I am writing to express my interest in the **Machine Learning Engineer** position at **Orange Money Group**. With a strong foundation in machine learning, data science, and artificial intelligence, I am excited about the opportunity to contribute to Orange Money's mission of providing innovative and accessible financial solutions.

In my role as a **Data Scientist** at **Bizao**, I have developed and deployed machine learning models, optimized predictive algorithms, and worked with advanced data processing tools such as **Python**, **TensorFlow**, **PyTorch**, and cloud-based platforms. My experience in building intelligent systems and deploying scalable solutions has equipped me with the skills necessary to support Orange Money's data-driven initiatives.

I am particularly drawn to the opportunity at Orange Money Group because of its commitment to expanding financial inclusion across Africa. The prospect of using machine learning to drive innovation in financial services, and contribute to meaningful change, aligns perfectly with my professional goals and passion for making an impact through technology.

Thank you for considering my application. I look forward to discussing how my background and skills align with Orange Money Group's vision and objectives.

Warm regards,

IDRISS BADO
